What's in the box?	- TVGuardian HD Unit - AC Power Adapter	- HDMI Cable - - Remote Control	Composite Video Cable
AND OTHER INTERNATIONAL & US P TVGUARDIAN, LUC ROCERS, AR 6 VDC 1000mA CC INI 000mA 000m	HDMI HDMI HDMI HDMI HDMI HDMI HDMI HDMI	DIGITAL AUDIO	Tv Guardium Model No. 501

### Standard Connections for Your Source (cable/satellite box or DVD/Blu-Ray with HDMI):

- Step 1. **Required** Connect an HDMI Cable from Your Source HDMI OUTPUT to TVGuardian HD's HDMI INPUT #1
- Step 2. **Required** Connect Composite Video Cable (yellow) from Your Source Composite Video OUTPUT (yellow) to TVG HD's CC INP #1 (needed for foul language detection)
- Step 3. **Required** Connect a 2<sup>nd</sup> HDMI cable from TVGuardian HD's HDMI OUPUT to your HDTV's HDMI INPUT
- Step 4. **Required** With your TV's remote, select the HDMI Input that is connected to TVGuardian. The button may be labeled Source, Input or HDMI.

#### Home Theater Audio (optional):

- Option 1: You may connect a TOSLINK Optical Digital Cable (not included) from Your Source to TVG's Digital Audio IN#1 and another TOSLINK cable from TVG's OUT to your Home Theater receiver INPUT, or
- Option 2: Instead of running a HDMI cable from TVGuardian to your TV (Step 3 above), you may connect the HDMI cable from TVG's OUTPUT to your Home Theater HDMI INPUT and connect another HDMI cable from your Home Theater HDMI OUTPUT to your HDTV.

#### **Remote Control Operation:**

Press MNU. This is what you should see:

TVG Settings Menu (Parents) (Kids) (Family) (Other)					
TVG Mode CC Mode Wordsets	(Tolerant) (Off)	(Moderate) (On Mute)	(Strict) (On Always)		
	Religious	(Filtered	l) (Off)		
	Sexual Ref	s (Filtered	l) (Off)		
	Hell & Dam	n (Filtered	l) (Off)		

**TVG:** toggles between Parents, Kids, Family, Other defined filter settings.

OPT: moves through the options SEL: changes the settings To change the TVG Mode from Strict to Moderate, highlight TVG Mode by pushing OPT. Push SEL until Strict changes to Moderate.

Exiting Menu: Press the MNU button.
